REMARKS

This Amendment After Allowance under 37 C.F.R 1.312 is intended as a response to the Notice of Allowance mailed on January 27, 2005. As of this amendment, line 28 of page 8 of the Specification is being deleted further to a telephone conversation between the Examiner and Stephen Guzzi on March 29, 2005. Applicants thank the Examiner for the courtesies extended during this telephone call. The line being deleted from the Specification erroneously refers to Figures 50i-50k, which were mistakenly not included in the originally filed Drawings. For the record, these figures are nonetheless part of the disclosure of the present application, at least because they correspond to Figures 32i-32k of Application No. 08/912,934 (now U.S. Patent No. 6,539,548), which is incorporated by reference into the present application.

If the Examiner believes that there are any unresolved issues, it is respectfully requested that the Examiner telephone Mr. Eamon J. Wall at (732) 530-9404 so that appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,

4/13/05
